REMINDER—Per community guidelines, Marine Corps Installations East-Marine Corps Base Camp Lejeune Order 10570.2B, and for the safety of others, domestic animals are not permitted to be off-leash or at large anywhere on the installation. Animals are only allowed to run off leash in the installation at the Camp Lejeune Family Housing designated dog parks/exercise areas.

Pet owners must pick up and properly dispose of all animal waste in their yards and when walking their pets. We ask everyone to help maintain a safe, clean, and pet-friendly community by ensuring all pets are leashed outside of the home and are cleaned up after. RESIDENT REVIEWS

- ★ "Prior to the maintenance worker coming to our house, our dryer was not working properly due to the vent. After he left, the dryer was working great."
- ★ "Hello, I wanted to take a moment and recognize Terrance's excellent work. I called in about an issue with our smoke detectors in TT1 and Terrance was quick to respond, very detailed in telling me what caused the issue and what to do if it happens again, ensured everything was working before leaving. I respect how he took his time and didn't make me feel rushed when I ask questions. He's an outstanding maintenance technician. Please pass along my thanks and ensure Terrance receives recognition for a job well done. It makes a huge difference having team members like him supporting residents in this community."
