COMMUNITY NEWS

February is typically the coldest month of the year, and we want to help everyone stay safe, warm, and prepared as temperatures drop.

Here are a few tips and reminders during freezing conditions:

- Protect your pipes by letting faucets drip slightly, opening cabinet doors to allow warm air to circulate, and insulating any exposed plumbing.
- Set your thermostat no lower than 60 degrees and never turn your heat off, even if you are away.
- Make sure your heat registers or baseboard heaters are not obstructed.
- Prepare for icy conditions by keeping salt or ice melt on hand for walkways and steps, and use caution when walking or driving.
- Bring pets indoors and limit their time outside during extreme cold to keep them safe.
- Keep your garage door closed.

Has your military family just arrived at Camp Lejeune or New River? HMC and the Military Family Advisory Network (MFAN) want to help you settle into your new home. Through the PCS Pantry Restock Box program, MFAN and its partners provide full-sized household staples and everyday essentials for every family member, designed to ease your transition and help you feel at home in your new community. If you have moved to Camp Lejeune or New River within the past 90 days, visit [Welcome.MFAN.org](https://www.welcome.mfan.org) to register for your complimentary PCS Pantry Restock Box.

MAINTENANCE TIPS

Window Safety – It's estimated that more than 3,300 children each year are treated in emergency rooms specifically due to window falls, many of them under the age of five. This is scary to think about, but window falls can be prevented! Click [here](#) for window safety tips from Safe Kids Worldwide.

Hunt Resident App and Online Portal – Did you know you can use the Hunt Resident App and Online Portal to submit routine maintenance requests? It's a quick and easy way to manage your home needs! Plus, you can view your open work orders and service history right from the app.

Routine Requests Only – Please note that the Online Portal/Mobile Application should only be used to place routine work orders. If you have an emergency or urgent work order, please contact the maintenance department any time, day or night, by calling **(910) 756-3511 and pressing 1**. If you have questions about an open work order, please call our office at (910) 756-3511 and press 2 during regular office hours for updates. Please note: If a duplicate work order is placed, and the first one has not been completed, the new request will be cancelled and will merge with the original request.

We work hard to complete all work orders promptly. If you have questions about open or recently completed requests, please contact our office.
