COMMUNITY NEWS

If you live in Jacksonville long enough, you'll hear someone say: "Happy Birthday, Marines." **November 10th** is the date the Continental Congress authorized two battalions of Marines in 1775 at Tun Tavern in Philadelphia — and every Marine, active or retired, observes it. In Camp Lejeune country, the Marine Corps Birthday Ball is the social event of the year. 251 years of Honor, Courage, and Commitment. **Happy Birthday, Marines!**

We are truly Thankful for our active-duty service members, veterans, retirees and the families who support them. Your service to this country represents a commitment that most of us will never be called to make — and that all of us benefit from every day. This Veterans Day and Thanksgiving season, we wanted to make sure that was acknowledged directly. Thank you.

MAINTENANCE TIPS

Temperatures in November typically start out mild and dip towards the end of the month. Please remember if you turn your heat on, you might experience a burning smell. This is normal as dust is burning off the coils. Changing your air filters at least once every 30 days will minimize any dust build-up on the coils and lessen the chance of the burning smell. If the smell continues, please call maintenance at (910) 756-3511 to ensure your system is operating as it should.

Prepare for those colder temperatures and winterize exterior faucets: Turn off the water supply to exterior spigots and disconnect garden hoses to prevent freezing.
